

Passion fruit
Annaliese
Emmans

You
are the
apple of my
eye
And the kumquat
of my nose
You're the orange
of my ear
And the mango of my toes
You're the raspberry of my lips
The satsuma of my hips
The guava of my thumb
And the gooseberry of my bum
You're the lemon of my wrist
And the melon of my fist
The kiwi of my knee
The only one for me
What a lovely pear we'd make
You and I, and
no mistake
