First they snaffled our savings  
And lost all our cash  
Now they've clogged up our airspace  
With volcanic ash

To Paris Charles-de-Gaulle  
Across much of Europe

We can hear the birds singing  
Bees buzzing, sweet balm  
For the soul, for our senses  
Isn't it bliss?  
If only *every* day  
Were like this ...
